Pupils about Bill Gates

„The Internet connects
people. Bill, you are right,
but it is much better if you
are here OFF LINE and
you are on eye to eye lines
with us!“

Internet as the edge

- ❑ 10 classrooms with interactive rooms
- ❑ Computers in every classroom
- ❑ Teacher's access to the internet
- ❑ Intranet for teachers and students
- ❑ e-mail edge
- ❑ e-learning Microsoft class server
- ❑ www.veskole.cz - European unique portal for IWB users
- ❑ <http://skoly-unesco.cz>

www.veskole.cz

an internet portal appointed
to the IWB users.

What can you find here?

- links to the webs with interactivities
- classification according to curricula and subjects
- evaluation polls of articles
- flipcharts and learning elements
- sharing experience
- methodology of work with IWB

Here you can:

- study materials
- download teaching elements
- compare your experience in forum
- ask for support and publish all your comments to this new field of education.

Countries on www.veskole.cz

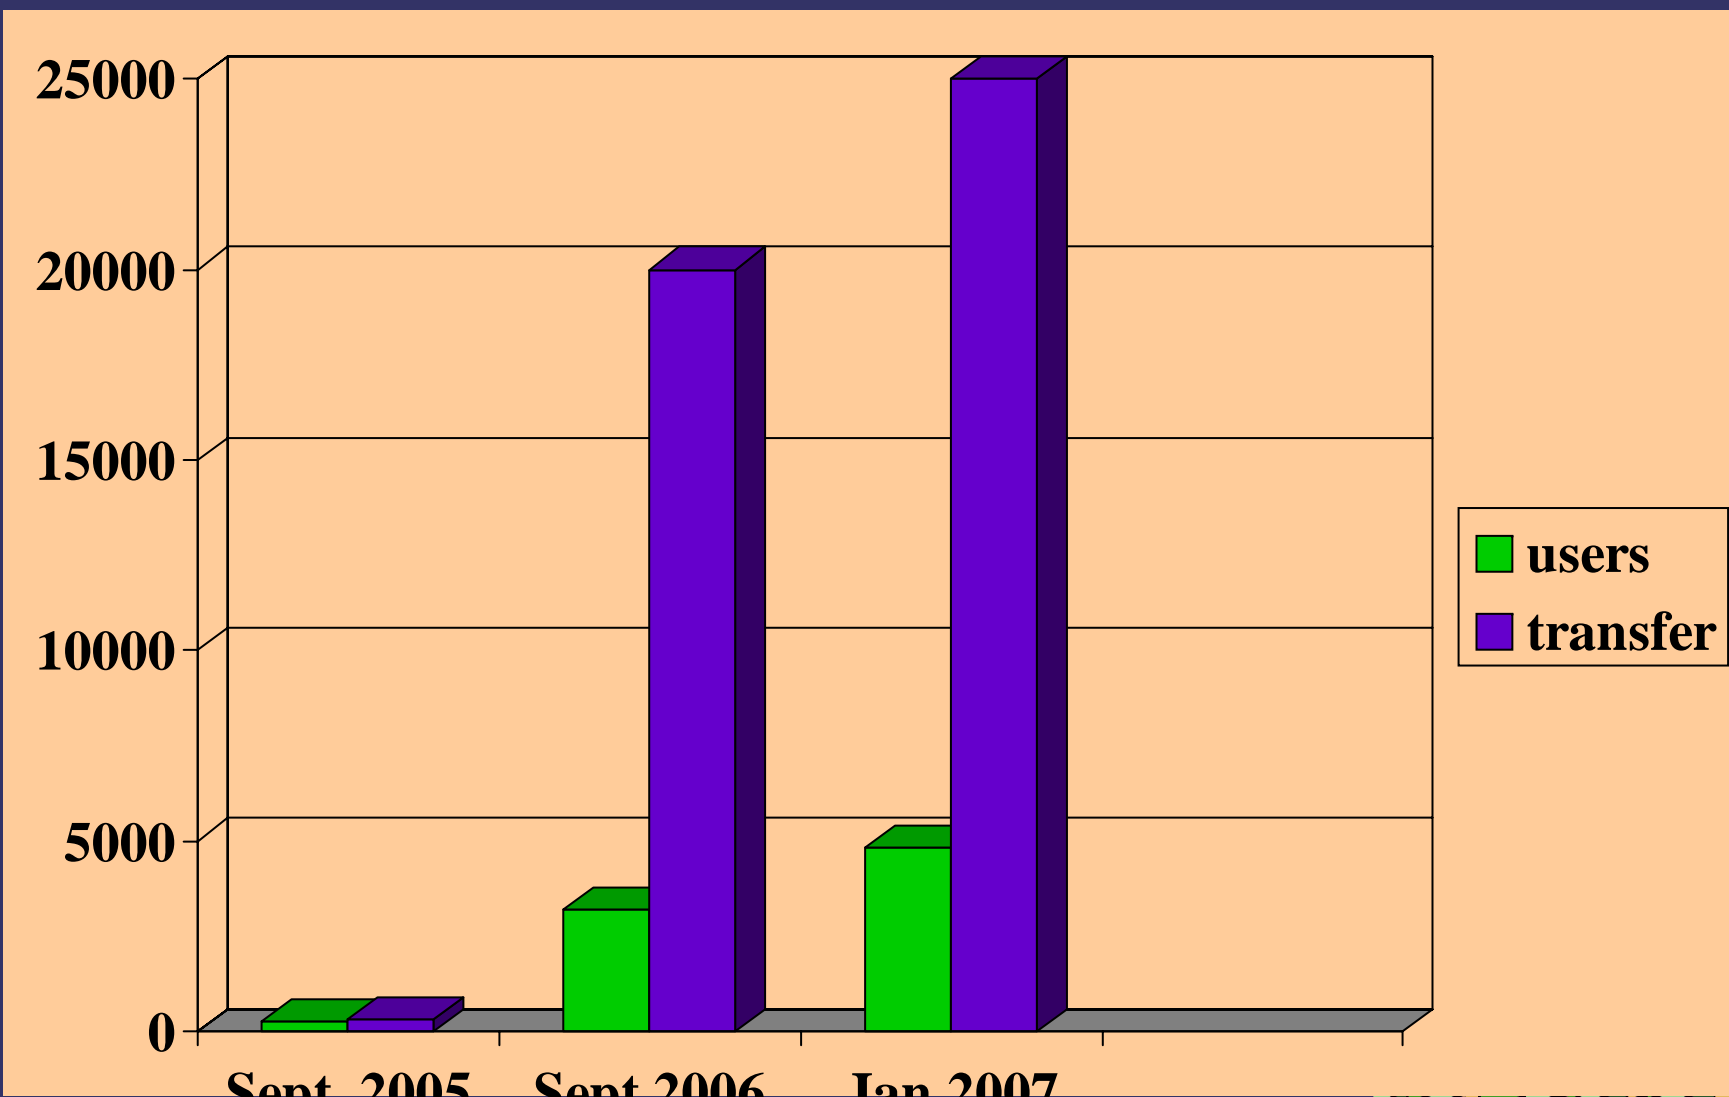

- Czech Republic
- Slovak Republic
- Poland
- Austria
- Germany
- Brazil
- France
- Italy

Users - transfer rate

**Without your cooperation
portal VESKOLE will not
survive long. If you are
users or IWB, you know
good internet links or you
have smart ideas, don't
hesitate and share them
with us.**
