# iEARN Projects

*Sustained Collaboration  
among teachers and  
students*

- ✎ Ongoing teacher designed projects
- ✎ Accessible, regardless of a school's level of technology
- ✎ Professional development courses and face-to-face workshops
- ✎ Annual Conferences

We are **not** a "technology"  
network. Using **ICTs** to facilitate  
innovation and excellence in  
teaching and learning

and getting good friends all around  
the world.
