Shireland Learning

Schools ICT in England

- All schools to have a Portal
 - Students to be able to access resources from home.
 - Parents to get information via the web.
 - Personalised Learning.

Why ?

- To support computers for pupils program.
- Parental involvement in Education.
- Foundation for Every Child Matters (ECM) and Building Schools for the Future BSF.

Issues

- ICT in schools variable.
- Large amounts spent.
- Companies have profited.
- Schools have lots of resources not being used.
- Systems not fully integrated.
- Value of ICT not fully proved.

Change

- Schools leading the way not LEAS or Government.
- BSF people focusing on Learning not building or teaching.
- ECM bringing together all services.
- Looking for value and integration.
- New ways of working and learning.
- Experience.

Get Safe Online Expert advice for everyone

Get Safe Online will help you protect yourself against internet threats. The site is sponsored by government and leading businesses working together to provide a free, public service.
