# objective

how to ensure the quality of learning  
when learning is out-of-classroom

paradigm  
shift in  
learning

1

mobiletools  
solution

2

how does it  
help you?

3

# paradigm shift in learning

needs of the worklife advances in  
technology

individual learning process  
out-of-classroom learning spaces  
emphasis on guidance, not teaching

paradigm  
shift in  
learning

there's a need for  
transparency in learning  
processes

# mobiletools solution

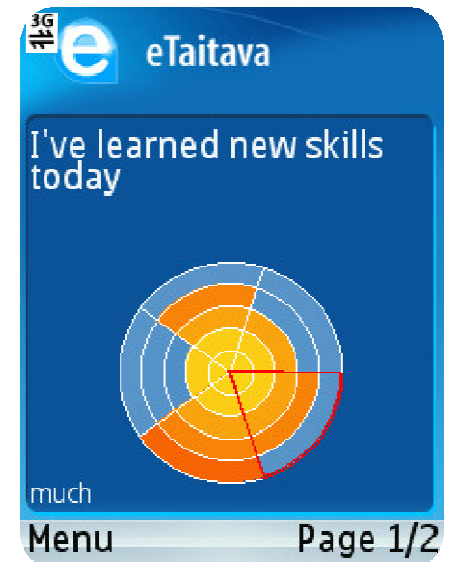

constant mobile feedback  
mobile multimedia diary  
web & mobile interfaces

# mobiletools solution

ready-made questionnaires  
powerful analysis tools  
cost-efficiency via mobile java

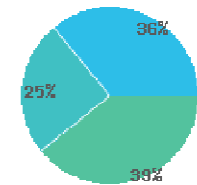

# mobiletools solution

constant mobile feedback  
mobile multimedia diary  
web & mobile interfaces
